

PROSPECTUS

St Paul's Catholic Primary School, Monbulk

"Together. Active in the Spirit. Journeying in God's Love. Striving for success. Reaching out to all."

Melbourne Archdiocese
Catholic Schools

Welcome to St Paul's Primary School, Monbulk

At St Paul's, **community** is everything. We *"strive to create a special bond among the students, the home, the school, and the Church"* so that all can share in the strong sense of community.

A beautiful school nestled in the Dandenong Ranges, St Paul's warmly welcomes you—where caring, nurturing teachers support kind, compassionate students.

From the Principal

Thank you for considering St Paul's Primary School as the place where your child may receive their primary education. It is the people – children, teachers, parents, families and parishioners – who provide the most important feedback and guidance when it comes to evaluating the strengths and quality of our school.

Modern, state of the art facilities are desirable, but they cannot replace the heartfelt, personal dedication of everyone involved in creating the necessary environment to promote the human and educational development of our children.

At St Paul's, our children are at the centre of everything we do. We are strongly committed to providing a safe and harmonious school environment where successful relationships thrive. The strength lies in the close partnerships between students, staff, parents, and the wider community... Each child needs to feel respected, accepted and valued.

— **Nick Frederiksen,**
Principal

A Catholic School Where Every Child Matters

Faith and Welcome

At St Paul's, education in faith is central to everything we do. We support the spiritual development of each child through prayer, liturgy, sacramental preparation, and a commitment to living our school motto: "**Love One Another.**"

Through community outreach and social justice initiatives, students are encouraged to develop as thoughtful and compassionate members of society.

Wellbeing and Belonging

Our school places strong emphasis on the wellbeing of all students. We have a dedicated **Wellbeing Leader** who supports students socially and emotionally, and we focus on building respectful, positive relationships across the school.

Families are known and welcomed, with a genuine connection between staff, students, and the wider community.

Meaningful and Engaging Learning

It's not just what we teach—it's how we teach. At St Paul's our teachers actively engage in the learning and development of every student. They work collaboratively to plan learning that is engaging, meaningful, and fun.

Teachers are supported through coaching, mentoring, and professional learning, ensuring students are met at their point of need—whether they require additional support or extension opportunities.

Supportive Learning and Enrichment

In addition to core curriculum, students enjoy learning through:

- Visual Arts
- Physical Education
- Music
- Languages (AUSLAN)
- Digital Technologies

We also offer enrichment experiences including lunchtime clubs, excursions, performances and themed activities, all designed to foster creativity, curiosity and joy in learning.

A Community that Grows Together

At St Paul's, we value the partnership between school and families. Our small size allows each student and family to be genuinely known and supported.

Parents are welcomed as active participants in school life—from events and celebrations to learning programs.

Our school environment reflects the beauty of the Dandenong Ranges, offering students a calm, nature-connected space in which to learn and grow.

We also provide:

- Access to before and after school care via OSHClub
- Support with uniforms, including pre-loved items
- Transition sessions where the child spends time in their future class or with their future classmates in the weeks leading up to starting at St Paul's.

Come see St Paul's in action

We'd love to meet you and show you what makes our school special.

- Book a personalised school tour and meet our Principal, teachers and students
- Join one of our Open Day or Taster Sessions to see our community in action
- Explore our Online Video Tour to hear directly from staff, students and families, and receive an information pack including our "*Becoming School Ready*" resources
